

Siddhant Gurav

Senior MySQL Database Administrator

siddhantgurav10@gmail.com | +91 77000 91233 | linkedin.com/in/siddhant-gurav-b71035181 | siddverse.in

Database administrator with 9+ years keeping production systems available, secure, and fast — from stock-market transaction platforms to bank payment gateways. Currently a Senior MySQL Database Administrator at Synergistic Financial Networks Ltd (Mosambee), working on database infrastructure for live transaction processing.

EXPERIENCE

Senior MySQL Database Administrator <i>Synergistic Financial Networks Ltd (Mosambee)</i> Database infrastructure for live payment transaction processing.	<i>May 2025 — Present</i>
MySQL Database Administrator <i>Hexaware Technologies</i> Production, UAT, and development database administration across client environments.	<i>Jan 2024 — Apr 2025</i>
MySQL Database Administrator <i>Upstox</i> Stock-market transaction databases, secure transactional environments, and PII data handling.	<i>Jan 2022 — Jan 2024</i>
MySQL Database Administrator <i>Euronet Worldwide</i> Transactional and payment gateway databases for a major bank.	<i>Sep 2021 — Jan 2022</i>
MySQL Database Administrator <i>Netmagic Solutions (an NTT Data company)</i> Multi-domain client databases — banking, finance, insurance, entertainment, pharma, e-commerce.	<i>Nov 2017 — Sep 2021</i>

CORE EXPERTISE

Reliability & DR — 24x7 support on AWS RDS/Aurora and MySQL 5.7/8.0; GTID replication; DR drills (switchover & switchback); incremental recovery via binlogs.

Performance & automation — table maintenance and index rebuilds; tuning for faster dump restoration; cron/shell/scheduler automation; minor and major version upgrades.

Security & operations — user/privilege provisioning, server hardening, new environment setup, mysqldump backups, Jira/ServiceNow ticketing.

Beyond MySQL — PostgreSQL HA topology (primary + hot standby, WAL streaming, PgBouncer pooling); MongoDB replica-set administration, indexing, and major-version rolling upgrades.

TECHNICAL SKILLS

Databases	MySQL 5.7/8.0, AWS Aurora MySQL, MariaDB, PostgreSQL, MongoDB
Cloud & Infrastructure	AWS RDS, S3, Route 53, Severalnines ClusterControl
Automation & Monitoring	Jenkins, Liquibase, Prometheus, Grafana, Percona Toolkit, MySQL Enterprise Backup
OS & Ticketing	Linux (RHEL), AIX, HP-UX, Windows, Jira, ServiceNow

EDUCATION & CERTIFICATIONS

B.Sc. Information Technology — Nirmala College, 2016 | **H.S.C.** — Patkar College, 2013 | **S.S.C.** — St. Francis High School, 2011

Oracle Database 12c: Administration Workshop (2019) | ITIL Foundation Certificate in IT Service Management (2017) | Advanced Excel Workshop (2018) | Employee of the Quarter, Jan–Mar 2019
